ANNEX F
Technical Offer

- This form is related to the technical offer for Phase 1/2/3. Each section is required and shall be completed as stated below. Please, note that specific description should be done to implement Phase 1/2/3 of the SHUTTLE PCP.
- The Tenderer should upload an attachment with the required response to each technical section.
- You may use as many pages as needed.

Part 1

A technical plan that outlines: 1. the tenderer's idea for addressing all the requirements given in the PCP challenge description, relating both to functionality and performance; and 2. technical details of how this would be implemented

Part 2

A draft business plan that explains the proposed approach to commercially exploit the results of the PCP and to bring a viable product or service onto the market

Part 3

A list of the pre-existing rights (*background*) relevant to the tenderer's proposed solution, in order to allow IPR dependencies to be assessed

Part 4

A risk assessment and risk mitigation strategy

Part 5

"Does this tender involve **ethical issues**? (YES/NO)"

if YES, an ethics self-assessment should be provided, with explanations on how the ethical issues will be addressed

Part 6

"Does this tender involve: activities or results that may raise **security issues** and/or **EU-classified information**¹ as background or results? (YES/NO)"

if YES, relevant information should be provided on how these issues will be addressed

Single Tenderer / Lead Tenderer confirmation Statement: *The contact person being the authorised signatory of the above Tenderer*

¹ See [Decision 2015/444/EC, Euratom](#) on the provisions on security of EU-classified information.

hereby declare that I, or my company, provided accurate information.
